Interview between Brooke Pennant-Jones and Bethany Murray

**Interview Questions:**

How do you like living in the dorms?

Mixed emotions. She enjoys who she lives with but crowded and she never has the chance to be alone. Hates the showers.

What do you think should be improved in the dorms?

Wishes the quads weren’t tiny. They should be bigger than the renovated doubles, not the same size. More showers.

What do you like about them?

The people. Meeting new people.

Other?

She likes the food in the basement.
