Request For Proposal

With the $125,000 dollars we plan on completely updating our I.T. infrastructure. It is imperative that we obtain modern technology and utilize it properly. We will need a variety of products to achieve this goal and the grant allows us to purchase them. The materials we will be purchasing are:

1. DS-3 Internet Service provided by DigiLink
   a. $2000 per month
2. Web Server provided by Ipage
   a. $2.25 per month
3. 50 Acer Aspire AXC-603-UB17 Desktop & 19.5” LED Monitor Package
   a. $349.98 per computer ($17,499 for 50)
4. 25 Lenovo H50-90B70017US Desktop & 21.5” IPS LED Monitor Package
   a. $579.98 per computer ($14,499.5 for 25)
5. 75 Logitech MK120 Keyboard and Mouse
   a. $20.00 each ($1,500 for 75)
6. 4 new overhead projectors
   a. $250.00 each ($1,000 for 4)
7. 25 tablets
   a. $242.27 each ($6056.75)
8. TRENDnet 1-Port Multi-Function USB Print Server
   a. $35.94
9. 5 HP LaserJet P2035 Monochrome Laser Printer
   a. $250.00 each (1,250 for 5)
10. 3 Xerox Phaser 7500
    a. $2,400 each ($7,200 for 3)
11. 2 WAP and 1 Ethernet Switch with at least 96 ports
    a. WAPS $167.00 each ($334 for 2)
    b. $9,877 Ethernet Switch with at least 96 ports

- We plan on doing research and development for the first 3 weeks of this year.
- We will order all of our products during week 4 and expect to have everything by week 6 the latest
- Weeks 6-10 we will set up all of the new equipment
- Everything will be fully operational by week 16
- All systems will be checked every 2 weeks, and they will be monitored daily.
- The excess money from year 1, and the $25,000 dollars provided in years 2 and 3 will be used to maintain the system and make necessary improvements.
