You will do Chapter #3 in the PowerPoint section.

Need to do Hands On Simulation Training for Chapter #3 and then some of the questions in the Hands On Simulation Exam, which are: 3.1.1, 3.1.2, 3.2.1, 3.3.1 and 3.3.2

Once you log into the school computer, open up Chrome or Firefox, remember the MyIt software does not work well on internet explorer, then go to your Canvas site and proceed to open MyIt.
