You will do Chapter #1 in the PowerPoint section. Need to do Hands On Simulation Training for Chapter #1.

For this lab and the next few you will be working in the PowerPoint section in the lab book.

Once you log into the school computer, open up Chrome or Firefox, remember the MyIt software does not work well on internet explorer, then go to your Canvas site and proceed to open MyIt.

For this lab and the next few you will be working in the PowerPoint section in the e lab book.
