Errata to
Random Walks, Capacity and Percolation on Trees
by Russell Lyons

On page 2050, the left-hand inequality of Theorem 2.3 should have \( \mu_0(E)^2 \) in place of \( \mu_0(E) \).

On page 2070, line −10, there is an equals sign missing. On line −6, change “degree \( d_\sigma + 1 \)” to “\( d_\sigma \) children”.

On page 2071, line −1, the expectation should be conditional on \( L_{n,i}^* \neq 0 \).
